

Submit APHA director nominations now

It's time to select APHA directors to serve in 2009–2010. Directors play an active role in the association's business and continued growth. Serving as an APHA director allows a member to help chart the course of the association by formulating rules and procedures, electing the APHA Executive Committee and voting on rule-change proposals.

Nearly 115 directors represent all APHA members, although the exact number varies each year, depending on total association membership. Serving alternating two-year terms, about half of the director positions are up for election each year.

For a nomination to be valid, APHA must receive a recommendation from a regional club or a written endorsement from five APHA members in good standing. These recommendations must be postmarked by February 15, 2008.

Election results will be announced in June 2008, with elected directors installed during the annual APHA Convention in October 2008.

Directors are required to attend either APHA Convention or Workshop each year and are encouraged to attend both.
